FOOD

You don't have to choose.

In these challenging times, Minnesotans may find themselves having to choose between paying their energy bill and other necessities - food, medicine and healthcare. Minnesota's Energy Assistance Program offers eligible residents help to pay their energy bills so they don't have to choose between life's necessities. Spread the word to your friends and family.

The Energy Assistance Program:

- Serves both renters and homeowners
- Provides benefits to pay for home heating ranging from \$200 to \$1,400, with an average benefit of about \$500
- Benefit amounts are based on the household's heating costs, household size, and income
- Provides help with energy disconnections, no/low fuel in the tank, and homeowners' furnace repairs
- Eligibility is based on the household's past 1 month of income and assets are not counted.

Are you eligible?

Size of household	Past 1 month maximum income
1	\$2,253
2	\$2,947
3	\$3,641
4	\$4,334
