

RETAIL TOBACCO SALES ORDINANCE 17

REGULATING THE SALE OF TOBACCO, TOBACCO-RELATED DEVICES, ELECTRONIC DELIVERY DEVICES, AND NICOTINE AND LOBELIA PRODUCTS

1. TITLE

This ordinance shall be known, cited, and referred to as the Scott County Retail Tobacco Sales Ordinance and shall be referred to herein as the Ordinance.

2. PURPOSE

The purpose of this Ordinance is to regulate the sale of licensed products for the purpose of enforcing and furthering existing laws, to protect persons under the age of 21 against the serious health effects associated with the use of tobacco, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in Minn. Stat. § 144.391.

Scott County ("County") recognizes that the sale of commercial tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products to persons under the age of 21 violates state and federal law. Smoking has been shown to be the cause of several severe health problems that subsequently place a financial burden on all levels of government.

This Ordinance is intended to serve the best interests of the County's citizens by protecting their health, safety, and general welfare.

3. AUTHORITY

This Ordinance is adopted pursuant to the requirements of Minn. Stat. §§ 461.12 to 461.22, as they may be amended from time to time, or successor statutes, relating to the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products in the County's unorganized territory and in the County's cities and townships that do not license and regulate retail sales of licensed products.

4. DEFINITIONS

Except as otherwise provided or clearly implied by context, all terms shall be given their commonly accepted definitions. For the purpose of this Ordinance, the following definitions shall apply unless the context clearly indicates or requires a different meaning. Unless specifically defined herein, terms used in this Ordinance shall have the same definitions as provided in Minn. Stat. §§ 461.12 to 416.22. Community Services may consult with Public Health and the Sheriff in deciding on approval of an application.

- 2) Fee. The fee for a license under this Ordinance is set in accordance with a fee schedule adopted by the County Board. No license may be issued under this Ordinance until the appropriate license fee is paid in full.
- c. ACTION.
Community Services, acting as County Board designee, may either approve or deny the license, or may delay action for such reasonable period of time as Community Services deems necessary to complete an investigation of the application or the applicant. The applicant may apply for direct review by the County Board if their application is denied, in which case, Community Services shall forward the completed application to the Clerk to the County Board for action at a regularly scheduled County Board meeting. If the County Board, or its designee, approves the license, Community Services shall issue the license to the applicant. If the County Board, or its designee, denies the license, written notice of the denial shall be sent to the applicant at the business address provided on the application with the reason(s) for the denial. The notice shall also inform the applicant of the right to appeal the decision, pursuant to the process set forth in Section 11, and have a hearing pursuant to Section 12.
- d. LICENSE TERM.
All licenses shall be issued for a period of one (1) year.
- e. LICENSE TRANSFER.
All licenses issued under this Ordinance shall be valid only on the premises for which the license was issued and only for the person to whom the license was issued. No transfer of any license to another location or person shall be valid without the prior approval of Community Services.

All licenses shall be posted and displayed in plain view of the public on the licensed premise.

The issuance of a license under this Ordinance shall be considered a privilege and not a right of the applicant and shall not entitle the holder to automatic renewal of the license.
- i. LICENSEE RESPONSIBILITY.
All licensees are responsible for the actions of their agents or employees regarding the sale of licensed products on the licensed premises. The sale of a

licensed product by an agent or employee of a licensee shall be considered a sale by the licensee. Any violation of this Ordinance shall be considered an act of the licensee for purposes of imposing an administrative penalty, license suspension, or license revocation.

j. LICENSE INSTRUCTIONAL PROGRAM.

No person shall be issued a license or granted a license renewal to sell licensed products unless the applicant or licensee has a program for instructing all agents and employees regarding the legal requirements pertaining to the sale of licensed products. The instructional program includes, but is not limited to:

k. LICENSE DENIAL.

The following are grounds for denying the issuance or renewal of a license under this Ordinance. However, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the County Board must deny the license. The following list is not exhaustive or exclusive.

- 1) The applicant is a person under the age of 21.
- 2) The applicant or licensee had a license to sell licensed products revoked within the preceding twelve (12) months of the date of application.

- a. To any person under the age of 21.
 - 1) Age verification. Licensees must verify by means of government-issued photographic identification containing the bearer's date of birth that the purchaser is at least 21 years of age. Verification is not required for a person over the age of 30. That the person appeared to be 30 years of age or older does not constitute a defense to a violation of this subsection.
 - 2) Signage. Notice of the legal sales age and age verification requirement, and application of possible penalties must be posted prominently and in plain view at all times at each location where licensed products are offered for sale. The required signage must be posted in a manner that is clearly visible to anyone who is or is considering making a purchase.

From time to time, but at least once per year, a Sheriff's deputy shall conduct unannounced compliance checks to ensure compliance with this Ordinance. In accordance with state law, the County will

conduct a compliance check that involves participation of a person who is at least 17 years of age, but under the age of 21 to enter the licensed premises to attempt to purchase licensed products. Persons used for compliance checks who are under the age of 18 years must have the written consent of their parents or guardians, persons used for the purpose of compliance checks must be supervised by designated law enforcement officers or other designated County personnel.

No person under the age of 21 used in compliance checks shall attempt to use a false identification misrepresenting the person's age, and all persons lawfully engaged in a compliance check shall answer all questions about the person's age asked by the licensee or his or her agent or employee and shall produce any identification, if any exists, for which he or she is asked.

Nothing in this Section prohibits other compliance checks authorized by state or federal laws for educational, research, or training purposes, or required for the enforcement of a particular state or federal law.

d. DECISION

The hearing officer shall issue a written decision within ten (10) business days after the hearing. If the hearing officer determines that a violation of this Ordinance did occur or that the license denial is upheld, that decision, along with the hearing officer's reasons and the administrative penalty to be imposed under Section 9 of this Ordinance, if any, shall be recorded in writing, a copy of which shall be provided to the violator or applicant. 16. REMEDIES CUMULATIVE

No remedy set forth in this Ordinance is intended to be exclusive, but each such remedy is cumulative and in addition to other remedies now or hereafter existing at law or in equity.
