

Scott County Public Health Clinics

Scott County Public Health offers several clinics for Scott County residents who are uninsured or under-insured:

The Health Matters Clinic provides free care for short term illness, ongoing health problems, and health screenings. Clinic services are free for all uninsured children and adults.

Appointments can be made by calling 952-496-8555.

The Immunization Clinic gives immunizations to Scott County residents age 6 weeks through adulthood. The clinic is generally open two Monday's per month from 2:00—5:00 pm. A \$10 donation per vaccine is appreciated, but not required.

Appointments can be made by calling 952-496-8555.

The Nurse Clinic offers care for residents who need help with health issues, such as immunizations, blood pressure checks, glucose monitoring, and general health questions. The clinic also provides Tuberculosis skin tests (Mantoux), which are given on Tuesday and read on Thursday. There is a \$15 fee for the Mantoux testing. The clinic is open Tuesday and Thursday mornings 8:30-10:30 am.

Appointments can be made by calling 952-496-8555.
